Purified Ionized Mineral Water Base
Arthro-IonX contains a proprietary non-alcoholic, non-active purified ionized mineral water base of organic ionic trace minerals. This lends superior delivery of active homeopathic ingredients (most other homeopathic formulations are prepared with alcohol, and are irritating to the body).

Safety & Quality Standards
• Provides pain relief without the side effects commonly associated with other pet arthritis medications
• Potent therapeutic dilutions
• FDA product listed (label code 50364-014-04)
• Contains officially recognized active homeopathic ingredients
• cGMP manufacturing facility

Why Choose Arthro-IonX?
Fast and safe symptom relief
Arthro-IonX safely provides non-steroidal arthritis pain relief, allowing you and your pet to enjoy an active, healthy lifestyle.

Holistic health support
Pets are vulnerable to mineral deficiencies, which can exacerbate symptoms. The purified ionized mineral water base in Arthro-IonX helps supplement the minerals necessary for some 300 enzyme functions in the body.

Cost-effective solution
Arthro-IonX is available without a prescription and costs as little as 74 cents a day. New technology has made it possible to combine active homeopathic ingredients in one synergistic formula, which is more cost-effective than using each ingredient separately.

VETiONX® Products Support a Healthy Lifestyle
Arthro-IonX is part of a new line of OTC homeopathic solutions from VETiONX, designed to provide superior symptom relief and healthy lifestyle support for your pet.

How to Use Arthro-IonX
It’s easy to integrate Arthro-IonX into your pet’s regular health care routine.

1. Find your pet’s dosage by weight, listed on the bottle.
2. Serve directly into your pet’s mouth, or for your convenience add the daily dosage to your pet’s non-metal water bowl.

Arthro-IonX relieves arthritis symptoms, shifting the body’s focus to health
Arthro-IonX is OTC formulated to relieve arthritis symptoms and support the natural recovery and repair process. Complement your pet’s health successes with Arthro-IonX by making healthy lifestyle choices. Choose:

✔ Organic pet food
✔ Clean, pure water
✔ Daily walks and exercise
✔ Plenty of love and positive reinforcement

By living a healthy lifestyle and taking Arthro-IonX for arthritis symptom relief, pets and their owners can enjoy a better quality of life, starting today.

Arthro-IonX is manufactured in the USA in a facility registered with the FDA, under strict Good Manufacturing Practices (GMP) guidelines.
